From the President, city municipal Council No C1-312 dated the 7/1/29 forwards a copy of the medical certificate granted by the D M O Alwaye to Sub-vaccinator Seethuppa and states that under Sec 186 (4) of the Municipal Regulation it does not seem necessary to send a resolution of the full Council in regard to the retirement of the Official

The Section quoted by the President does not seem to cover the case It is not specifically laid down in that Sec 186 (4) of the MM Regulations that the President (Ml Council) can retire a person on Invalid pension It is perhaps safe to get a resolution of the Municipal Council

Act 306 MLSR

Again the age of the Official as given on the medical certificate is 48 years But in the President's letter of the 29th NOV 28 it is stated that according to the Service Register his age is 41 years

Medical Certificate Number 46

Under Section 51 of the Civil Pension Code

The form of the certificate to be given respecting an Officer applying for pension in India is as follows ---

Certified that I have carefully examined Mr M Seethappa, son of Muni Byrappa, a Sub Overseer MK in the City Municipality, Bangalore His age is, by his own statement, 48 years, and, by appearance, about 48 years

I consider him to be completely and permanently incapacitated for further service of any kind (or in the Department to which he belongs), in consequence of Paralysis of both hands -- and legs suffering from four years His incapacity does not appear to me to have been caused by irregular or intemperate -- habits

Sir,

With reference to your letter No L 5186/M1 1-28-49 dated 1-2-1929 requesting me to forward a resolution of the Municipal Council in the matter of the retirement of Sub-Overseer M Seethappa of this Municipality, I have the honor to state that under Section 186 J(1)(a) of the amended - Municipal Regulation IV of 1923, the power of appointment of a Sub-Overseer vests in the Commissioner and not in the Council and I therefore presume that the matter need not go before the Council

2 According to the Service Register, the date of birth of the official is 3rd January 1887 He has thus completed 42 years But the District Medical Officer in his certificate states that by appearance he is about 48 years I see think that the age according to the Service Register may be taken to be correct, for at the time of entry into service the exact date of birth must have been entered in the ~~Service~~ Service Register His statement before the District Medical Officer that his age is 48 years cannot be relied upon

3 The Service Register of the official is forwarded herewith
